## Internet Access Agreement

*(This document is to be kept on file as part of the school's record)*

### Student

I understand that the Internet can connect me to useful information stored on computers around the world. While I have access to the Internet:

1. I will use it only for educational purposes.
2. I will not look for anything that is illegal, dangerous or offensive.
3. If I accidentally come across something that is illegal, dangerous or offensive, I will:
  - a. clear any offensive pictures or information from my screen; and
  - b. immediately, quietly inform my teacher.
4. I will not reveal home addresses or phone numbers - mine or anyone else's.
5. I will not use the Internet to annoy or offend anyone else.

I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.

### Parent or guardian

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe \_\_\_\_\_ understands this responsibility, and  
*(Name of student)*

I hereby give my permission for him/her to access the Internet under the school rules.

I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access and/or other consequences in accordance with the Albany Hills State School Responsible Behaviour Plan for Students.
