MANDATORY VACCINATION IN SCHOOLS

As you may have seen in the media last week, all school staff, contractors and volunteers will be required to have at least one vaccination dose by 17 December 2021 and be fully vaccinated by 23 January 2022. This includes those who assist in delivering support activities and services such as tuckshop, reading programs, etc.

The requirement to be fully vaccinated does not apply to visitors such as family members to schools.

Schools are required to utilise the check in Qld app or sight vaccination certificates to gain proof of vaccination for contractors and volunteers. Copies of vaccination certificates do not need to be kept by the school, however we will need to keep a record this has been sighted.
